

FRONTIERS IN EDUCATION 2009

This year FIE2009 had over 580 papers/presentations submitted for consideration. The final conference program contains 415 paper/presentations. The FIE2009 Program Committee wishes to thank the following 354 individuals for acting as abstract/paper reviewers. The program committee asked these individuals to help control the quality of the presentations at this year's conference by reviewing the submissions for FIE2009. Their outstanding effort has helped maintain the high standard that has become the reputation of each FIE conference.
